Durham, North Carolina

Email: pattillorebecca@gmail.com

Education

Indianapolis University-Purdue University of Indianapolis (IUPUI)

M.L.S. (2016)

M.A. History, Public History concentration (2016)

B.A. History, English Literature minor, *with distinction* (2013)

Seregny Award for Best History Student

Joseph and Lillian Zeglin Award for Excellence in the Humanities

Work Experience

Archives and Special Collections, University of Louisville, June 2017 – June 2022

Metadata Librarian, Assistant Professor

- Add to and enhance the university's [Digital Collections](#) via metadata creation, maintenance, and review from all of University of Louisville's Libraries.
- Prepare for, assist in, and implement digital collections migration from CONTENTdm to Hyku, an open-source Samvera product, via metadata normalization, cleanup, cross-walk and mapping, as well as participate in Samvera working groups.
- Consult Archives and Special Collections, as well as other University of Louisville Libraries, on metadata standards, authority control, and digitization, as necessary.
- Train, mentor, and supervise students, staff, and faculty working with metadata for digital materials across all University Libraries.
- Work collaboratively with Archives and Special Collections department and University Libraries to promote holdings within the university and community, including outreach, workshops, classroom instruction, and collaboration with faculty across multiple disciplines.
- Provide instruction to faculty and students on utilizing the department's primary sources, digital collections, and other unique holdings.
- Provide front-line reference for the Archives and Special Collections research room.
- Research, publish, and present in field of archival and library sciences as tenure-track faculty.

Frederick Douglass Papers, Indiana University Purdue University of Indianapolis, 2013 – 2014, April 2017 – present

Consulting Research and Editorial Assistant

- Consult virtually on documentary editing of Douglass writings for publication, including historical annotation, research, and standardization of Chicago Manual Style citations.
- Provide introductory context for upcoming publications, including the online, peer-reviewed, open-access journal *New North Star*.
- Assisted in preparing and acquiring grant for "Reading Frederick Douglass" community engagement program for 2018.
- Wrote and acquired an Indiana Humanities grant for the 2014 Frederick Douglass/Madam C.J. Walker Symposium and served as symposium liaison to local high school teachers and students.

Indianapolis Museum of Art at Newfields, September 2016 – February 2017

Visual Resources Association Foundation Intern

- Awarded the VRAF Kress Intern Award to work with Conservation, Photography, and Archives departments to determine best practices to create and implement new workflows and metadata schema for Conservation digital imaging.
- Applied and standardized bulk metadata for 4,000+ born digital files of the Clowes Collection of Old Master Paintings.
- Worked with outside vendor Piction to build Conservation collection in the museum's established Digital Asset Management system (DAMS) including front end and back end display of metadata.
- Established new workflows for digital image capture based on professional standards and best practices in conservation and born-digital preservation for all future imaging. Trained all Conservation staff on newly established workflows, application of metadata, and ingest into the museum's DAMS.

Carmel Clay Historical Society, Carmel, Ind., August 2016 – April 2017

Archival Collections Manager

- Was responsible for appraisal, arrangement, description, and processing of current archival holdings, as well as date entry of records into PastPerfect, the society's collection management system.
- Created processing documents, relevant forms for proper arrangement and description, updated pre-existing records to include subject authorities and established intellectual and physical control of the collection.

Historic Madison, Inc., Madison, Ind., June – August, 2016

Project Archivist

- Appraised, rehoused, and created preliminary inventories for 146 cubic feet of materials related to the organization's founders, John and Ann Windle.
- Created a detailed report for the organization determining the future of their archival collections, proper storage, and disposal/relocation of non-relevant materials.
- Identified more appropriate archival repositories for transfer of out-of-scope materials.

Indiana Historical Society, August 2015 – August 2016

Collections Intern

- Worked directly with Senior Archivist of African American History to arrange, describe, and produce collection guides for the Society's African American collections, including the [Ransom Family Papers](#) and the [Paula Parker-Sawyers Papers](#).
- Provided front-line reference, in-house circulation and retrieval of materials for library patrons, and oversaw proper research procedure in library reading room.
- Cataloged print material using OCLC WMS.

Indianapolis Museum of Art at Newfields, Library and Archives, August 2014 – December 2015

Ursula Kolmstetter Scholar

- Processed and described the [Kurt F. Pantzer Papers](#) and the [Percival Gallagher Papers](#) and input data into Archon to produce EAD finding aids for discovery and access.
- Led and implemented a full-scale digitization project of the [Gallagher collection](#), including scanning photographs, negatives, and manuscript material. Created accompanying metadata using Dublin Core standards and controlled vocabulary for over 1,400 records.
- Worked alongside head Archivist to create a metadata map to apply to all future digital projects.

- Created content for the [IMA Library and Archives Tumblr](#), drafting nearly seventy posts for future promotion and outreach.
- Cataloged auction catalogs within an Access database, provided reference services to patrons and curatorial staff, and assisted with in-house circulation of materials.
